Earned or owned media may be counted as in-kind match; refer to the **Eligible In-Kind Match Expenses** section of this document to learn how to value earned and owned media.

No more than 50% of the VTC Marketing Plan and the Matching Marketing Plan can be used for production costs; eligible production costs can be found on pages 11-12. Eligible Applicants Requirements

Successful Special Events & Festivals grant applicants must meet the definition of an eligible applicant. The Code of Virginia (§ 2.2-2320.2) defines eligible applicants based on the criteria below. Eligible applicants can only submit **one application proposal** per Federal Employer Identification Number (FEIN) or Social Security Number (SSN) if they are a sole proprietor. Eligible applicants for the Special Events and Festivals Sponsorship Program include the following:

- Virginia Localities
- Destination Marketing Organizations (DMOs)
- Non-profit organizations
- Tourism-related businesses
 - Brick-and-mortar locations in Virginia that are open, operating, and have appropriate local licensing
- Chambers of Commerce

Non-profit organizations, tourism-related businesses, and chamber of commerce must be serving as a regional attraction's marketing agency to promote an event or festival.

A vendor of service, such as an advertising agency, PR firm, printing agency, television channel, web developer, influencer, marketing consultant, federal agency and/or state agency may not apply for or directly receive Special Events and Festivals Sponsorship Program funding for any event or festival.

Event Eligibility

The eligible applicants (Virginia locality, Destination Marketing Organization, or Regional Attraction's Marketing Agency) must apply for an event or festival that meets the following requirements:

- Must have occurred in two or more years since 2022.
- Must be a minimum of two consecutive days.
- Must increase overnight event visitation and visitor spending.
- Must show a significant and positive economic impact on the surrounding community.
- Must have a minimum of 500 event attendees.
- Must have liability insurance with *Virginia Tourism Authority* listed as "additional insured" on the applicable policy

Events and festivals that do not meet these requirements can apply for the Marketing Leverage Program (MLP); however, production expenses are not eligible, only marketing related expenses are eligible for the MLP grant program.

The following events and festivals are not eligible for VTC grant funding:

- Non-tourism related events
- Cannabis related events
- Political events
- Private events (i.e., family reunions, weddings, birthday parties, and members only events)

Eligible Partner/Spoke Eligibility Requirements

The Hub & Spoke model encourages eligible applicants to build partnerships that connect primary tourism attractions, businesses, events, or destinations (the Hub) with complimentary tourism partners such as lodging, dining, attractions, retail, outdoor recreation, and experiences (the Spokes). Both the Hub & Spokes must be specific, identifiable tourism entities. This approach creates meaningful partnerships that strengthen the visitor experience, increase visitation, overnight stays, and visitor spending.

Eligible Hub & Spoke Partners must meet the following requirements:

- Must be a brick-and-mortar tourism-oriented business/attraction that is open, operating, and has appropriate locality licensing in Virginia.
- Licensed food trucks are also eligible and are not required to maintain a brick-and-mortar location. The food truck must be licensed to operate in Virginia.
- Can be a state or federal entity, such as a state or national park.

Personal health and wellness businesses, nail salons, gyms, massage parlors, yoga studios, psychics, therapy businesses, advertising agencies, public relations firms, printing agencies, television channels, podcasts, web developers, influencers, marketing

consultants, event/festival sponsors, etc. are not eligible spokes or partners for the Special Events and Festivals Sponsorship grant program.

VTC retains the right to determine applicant and partner/spoke eligibility.

**All partners/spokes must be clearly identified in the application, and the Hub & Spoke model must include a lodging partner. Applications with an incomplete Hub & Spoke model, including those without an identified lodging partner, will be deemed ineligible.*

Partner/Spoke Participation

Using the Hub & Spoke model, the partners/spokes you list in your application must contribute to your program initiative, either through a financial commitment to the marketing initiative or through marketing collaboration. These contributions and/or collaborations must be documented in the application narrative and will be evaluated.

To apply for this program, applicants must have a letter of support from their local or regional DMO that clearly states their support for the program and must be signed and on the DMO's official letterhead. The list of Virginia DMOs can be found on vatc.org/dmolist.

If you do not have a local or regional DMO serving your area, you must obtain a letter of support from your locality leaders such as the town manager, city manager, or county administrator.

**The letter must be provided on the DMO's official letterhead and signed by an authorized DMO representative. Letters submitted without a signature will result in the application being deemed ineligible.*

Signed Lodging Partner Letter of Support

To apply for this program, the applicant must list a lodging business as a partner in the application. This can be a hotel, bed & breakfast, resort, campground, or state park. The lodging partner listed in the Hub & Spoke mode must provide a letter of support for the program. This letter must clearly state the lodging partners support for the program and must be signed and on the lodging partner's official letterhead.

If you, as the applicant, are a lodging business, you will need to list yourself as the lodging partner and write a letter of support on your behalf.

Review and Evaluation Criteria

There are limited funds available for this competitive grant program. Therefore, funding will be awarded on a merit scale; only the highest scoring application proposals will be funded. Since awards are determined from these scores, your application must be complete, thorough, and include all required materials for eligibility. Actual award may or may not equal the amount originally requested and are based on the eligibility of expenses and available funds at the time of award.

If substantial changes to your marketing plan and proposal are needed after the time you are awarded, you must submit a **VTC Marketing Plan Revision** for the VTC Grants Team and have it reviewed and approved. These changes include but are not limited to budget adjustments, placement dates, alternate marketing expenses, etc.

When determining the award total for an application, Virginia Tourism Corporation may consider a variety of factors. These include the type and scope of the organization, the audience and message, the number of applications received, the regional distribution of funds, and most importantly, the economic impact of the program and its ability to drive visitation and visitor revenue in the program coverage area.

Do not assume that the review team is familiar with your area, destination, business, event, or festival. You should include all requested information and be as detailed as possible.

Below is the score breakdown for each section:

- Goals & Partnerships – 25 Points
- Research & Data – 25 Points
- Marketing Plans – 50 Points
- Bonus Section – 5 Points

This program is subject to a 20% award limit in each [GO Virginia Region](#) per fiscal year. The Code of Virginia (§ 2.2-2484) defines recipients regional qualifying criteria.

Once you receive an award letter via email from the Virginia Tourism Grants Team, your award will be placed in a grant account that you can spend down on your own basis until the final project close date. A maximum of two reimbursements can be requested throughout the program period until the full award balance has been disbursed; this includes an interim reimbursement and final reimbursement.

Awardees will be required to submit appropriate reports, contract, documentation, VIFL proof of placement, and reimbursement forms via Microsoft SharePoint. Each awardee will be assigned a SharePoint Grantee Folder that will have the appropriate forms and a copy of your award letter and application.

All SEF funds go to support an event or festival; therefore, you must submit a copy of your liability insurance with *Virginia Tourism Authority* listed as “additional insured” before you can receive reimbursement. Contracts with vendors are also required to be successfully reimbursed.

If you submit your reimbursement request prior to this date for your full award balance, you must include your final report at the time of that submission.

**Failure to utilize the awarded funds by this date will result in VTC releasing your award back to the grant funds.*
